

Knowledge and Understanding of the World

Ask a grown up to help you use the internet to find out about a sea creature. If you can, print off what you find out to make a book at school .Remember to use the computer safely .If you don't have a printer you can write down the web address for the teacher and we can print it.

Creative

There are lots of animals that live under the sea and they haven't been discovered yet. Invent a creature that might live under the sea. You can draw this, paint it or make a model.

Reading - Speaking and Listening

Find a story book about a sea creature. Write about why you like it and draw a picture too if you would like to. You could bring your story to share.

Mathematics - Measuring Estimate how many cups of water will fill a bottle. Try different sizes. Fill your bottle up and make some sea creatures to go inside.

SHEKNOW How many cups filled it?

Reception Home Learning

Under the Sea

Spring 2

Please choose any homework activity and bring it to school to show your teacher each week. Please return your new homework each week no later than Wednesday – books will be returned on Friday.

Knowledge and understanding Some animals live on the land and some live in the sea. Can you think about things that are the same and different? You might like to make a table or draw the animals and label their features.

	Animal 1	Animal 2
Same		
Different		

You can also - Keep practising your numbers to 20 and making pairs to 10 and 20.

Show teen numbers by making a set of number and the extra ones e.g. ten pencils and 5 pencils -15

Mathematics -Number Make up a number song and make characters to go with this eg 10 little fish went swimming one day. This will help your child to add and take away and to talk about how the number changes using more and less/ fewer. They can write calculations to go with this e.g. $10-1+9$ and this will reinforce numbers that make 10.

Reading-These are some special words for you to read - can you practise at home?

I to go the do is so of no love

Now try these - be said we she he all me
