Head Teacher: Mrs Judith Ward

Newsletter 16th June 2017

After a busy week, Year One pupils have completed their phonics checks and all of Year Two and Reception assessments have been finalised. The children have all worked very hard and we are very proud of their achievements.

Judith Ward

Transition Events - Moving to new classes

The children will be taking part in a range of transition events to help with their move to their new classes over the next few weeks.

They will spend the whole day with their new teacher on 'Transition Day' on Thursday July 6th. They will go to their present class at the beginning of the day and will then move to their new classes for the rest of the time. At the end of the day we would like to invite you back into school to meet the teacher, see the new classroom and ask any questions you may have. The children will come out of their usual exits and will then be able to take you to their new classes.

Children in Year Two should go directly to their new Junior School on that day.

Sports Afternoon

Our school sports afternoon is on Friday 23rd June. The children will have chance to take part in a range of sporting activities on that afternoon and parents are welcome to come and join us to watch. Each year group will be joining it at a specific time. This year, Year 6 Sports Leaders from the Junior School will be helping at the event. We are also looking forward to seeing Mr Leggit who works with our children 'in goal' again this year.

Reception - 1.20 - 1.55pm

Year One - 1.55 - 2.25pm

Year Two - 2.25 - 3.00pm

Children should come to school wearing their PE kit on this day.

Well-Being Week 26th-30th June

Preparations for our well-being week are well underway.

Activities during the week will include:

- Daily opportunity to take part in 20 minutes physical activity
- Daily yoga/mindfulness session
- Daily acts of random kindness
- Nature activities
- Team work activities

- Monday 26th of June -- Whole school breakfast

- Tuesday 27th June - Family fun activities with Zoe - parents invited to come along and join in
(Reception 9.15am-9.45am Year one 9.50am-10.20am Year two 10.25am-11.00am)

Please remember to start collecting and putting together your child's 'all about me' shoe box in preparation for the week. Please send these in on Monday 26th June making sure that their name is clearly visible. (See last week's newsletter for more details re all about me boxes).

Attendance

At present we are 'just' on track to meet our 96% target for the year. Thank you for your help with this so far. I am a little concerned that we may not be able to maintain this high standard as we have had a number of pupils taking unauthorised holidays.

This part of the term is very important for all pupils as there are many activities taking place which will help them to get ready for moving to their new classes. It is very unsettling for children if they miss out on these. Please make sure that they attend every day.

Congratulations go to 1LJ who were the class with the best attendance last week.

Year Two Leavers Events

As our Year Two pupils approach the end of their time with us, I wanted to remind parents of a couple of important diary dates for the end of term.

Wednesday 19th July - Leavers Production for parents - 2.15pm

Wednesday 19th July - Leavers Disco for all Year 2 children 6.30 - 8.00pm.

We hope that all children will be able to attend the disco and that you will be able to come along and share their special moments in the assembly.

Charity Mud Run

On 22nd July Jake in Reception and his family will be taking part in a charity 6K military mud run to raise funds for Zoe's place. They are running as part of a group of children and their parents and will be called the 'Little Minnions'.

They have set up a just giving web page with more information for anyone who would like to sponsor them. <https://www.justgiving.com/fundraising/littleminions>

Good luck to Jake, his sister Emily and to Mum and Dad!

Sun Safety

As we may hopefully continue to have some warm sunny weather over the next few weeks, please can you make sure that your child brings a drink to school in a named bottle every day. Could you also send them with a named sun hat or cap.

Please apply sun cream before the children come to school and if necessary ensure that the children can apply their own if further applications are needed throughout the day.

Diary Dates for Week Beginning 19-6-17

Day	Time	Activity
Monday 19 th	3.15-4.15pm 3.15-4.30pm	Science Club Football Club
