### Newsletter 23<sup>rd</sup> June 2017

After a red hot start to the week, thankfully the weather was on our side and we have been able to hold our annual sports afternoon without getting too hot and bothered. Thank you to Mrs Gurr for all her efforts in organising the event, to Mr Leggit and to the sports Rangers from Race Leys Junior School for their support in ensuring that the children have a great time today!

#### **Safeguarding Concern/Facebook**

It has come to my attention that there have been some concerns raised about an incident at school/Happy Tykes yesterday. A Happy Tykes child had got separated from his mum and was helped by one of our parents. This information was misinterpreted and posts were put on Facebook last night about a child being abducted. I am concerned that gossip was then spread about the safety of the children and Race Leys Schools not informing parents. Please be assured that we would immediately inform parents if ever there was a safeguarding incident that you needed to be aware of. **Thank you to the lovely lady who kindly helped the vulnerable child who had lost his mummy.**

#### **Personal Social, Health Education - Sex and Relationships Programme (Spring Fever) - Parents Meeting**

A compulsory new part of our PSED curriculum is to teach our children an age appropriate sex and relationships programme which gives children knowledge, attitudes and skills which they need. On **Wednesday morning 28<sup>th</sup> June at 9.00 am** we will be holding a meeting for parents in conjunction with Race Leys Junior school who will also be participating in the scheme. At this session we will introduce the programme to you and give you the opportunity to ask any questions. The content of the programme will be shared by an expert in the field.

#### **Art Exhibition - Monday 3<sup>rd</sup> July 3.15-4.30pm**

We will be holding an art exhibition to celebrate our pupils art achievements. Parents and family

members are invited to come along to view the children's work. There will be the opportunity to purchase pictures, but there is no obligation. You can just come along and look! See separate letter for more information.

### **Year 1 Visit to Bedworth Church**

As part of the R.E. curriculum our children will be visiting Bedworth Church on Tuesday 4<sup>th</sup> July. Please let the class teacher know if you are able to help walk up with the children.

### **Choir Performance**

The Year 2 choir performance is at the Civic Hall on Wednesday evening 28<sup>th</sup> June at 6.00pm. Children will need to arrive at the Civic Hall by 5.30pm. They have been asked to wear bright summery clothes.

The children will be going to practise during the afternoon on Wednesday.

### **Transition - Moving to new classes**

Thursday 6<sup>th</sup> July, is the day that children will move to their new classes. They will find out who their new teacher will be and spend the whole day with them. Pupils will go to their present class at the beginning of the day and will then move to their new classes for the rest of the time. Children will come out of their usual doors at the end of the day.

We would like to invite you back into school to meet the teacher, see the new classroom and ask any questions you may have at 3.20pm.

**Children in Year Two should go directly to their new Junior School on that day.**

There will be more transition activities taking place over the next few weeks and until the end of term, so it is important that children are in school so that they do not miss out.

### **Attendance**

Our attendance was a fantastic 97.9% last week. Thank you for your help in achieving this. Please help us to maintain this high standard over the next few weeks. As you can see above there are many special activities taking part over the next few weeks, so it is important that all children are in school regularly until the end of term so that they do not miss any. Congratulations to RCP and 1LJ who were the best attending classes last week.
