Head Teacher: Mrs Judith Ward

Newsletter 30th June 2017

This week has been a busy one with lots of well-being activities taking place. Both the children and adults in school have enjoyed taking part. It was a joy to walk through school on Monday as the children were coming in and to see so many who had brought in their 'all about me' boxes. They were so proud and eager to tell everyone about them. The children certainly enjoyed the physical activities with Zoe and it was lovely to see parents in school joining in too. Thank you to Mrs Gurr for organising the many events that have taken place.

Whilst well-being was a whole school focus for the week, we do take the children's mental health and well-being very seriously and offer support and activities to promote their well-being throughout the year.

Judith Ward

Choir Performance

On Wednesday evening our Year Two choir performed along with other schools at Bedworth Civic Hall. They were brilliant and did our school proud with their impeccable behaviour and wonderful singing. Well done to everyone who took part.

Art Exhibition - Monday 3rd July 3.20-4.30pm

Our art exhibition to celebrate our pupils' art achievements is next Monday after school. Parents and family members are invited to come along to view the children's work. There will be the opportunity to purchase pictures.

As all of the pictures will be displayed in the hall, it may be busy immediately after school. Please be patient and perhaps let your children have a play on the playground whilst waiting for the crowds to ease off. You will then be able to view the work more easily and less stressfully!

Year 1 Visit to Bedworth Church - 4th July

As part of the R.E. curriculum our children will be visiting Bedworth Church on Tuesday 4th July. Please let the class teacher know if you are able to help walk up with the children.

Transition - Moving to new classes

Next Thursday 6th July is the day that children will move to their new classes. They will find out who their new teacher will be and spend the whole day with them. Pupils will go to their present class at the beginning of the day and will then move to their new classes for the rest of the time. Children will come out of their usual doors at the end of the day.

We would like to invite you back into school to meet the teacher, see the new classroom and ask any questions you may have at 3.20pm.

Children in Year Two should go directly to their new Junior School on that day. Children attending Race Leys Junior School have been asked to take their pumps with them for the day. They will all receive a meal free of charge for the day.

There will be more transition activities taking place over the next few weeks and until the end of term, so it is important that children are in school so that they do not miss out.

Staff Moving On

Sadly, Mrs Snape will be leaving our school at the end of the summer term. She has worked here at Race Leys for the last five years and has made a significant contribution to the development of our school, particularly with her passion for maths. We will all miss her expertise and wish her well with her exciting new role at a Coventry school.

Year 2 Leavers Production - 19th July

In order to accommodate all parents of Year 2 children we will be holding two performances - one in the morning and one in the afternoon. Two tickets will be allocated per family. A letter will follow for Year 2 children.

Attendance

Our attendance sadly dropped to 95.44% for last week. As you can see above there are many special activities taking part over the next few weeks, so it is important that all children are in school regularly until the end of term so that they do not miss important transition activities. Congratulations to 1LJ who were again the best class.

Lunchtime Supervisor Cover

We are currently looking for someone who could provide cover for occasional staff absence. If you think that this could be a role for you, please speak to Mrs Lamley in the office.

Site Safety - Playground Supervision

It is lovely to see so many of our children coming to school on their scooters during the summer months. Please can you help them to store them safely in the storage pods so that they do not form a trip hazard and block the entrance to school.

Please remember that children should be supervised at all times on the playground before and after school. I am concerned that children are using the equipment in an inappropriate way. The hump is for running up and down and pupils should not be climbing, doing forward rolls or riding down it on their scooters. Thank you in advance for helping to keep the children safe at all times.

Diary Dates for Week Beginning 3-7-17

Day	Time	Activity
Monday 3 rd July	3.20-4.30pm 3.15-4.30pm 3.15-4.15pm	Art Gallery Evening Football Club Science Club
