### **Newsletter 14th July 2017**

The end of term is rapidly approaching. I can't believe how quickly the last few weeks have flown by. The children are definitely getting ready for their well-earned break. There are still lots of lovely end of term events to take place next week, as well as transition activities to support moving to new classes.

The children will bring home their end of year reports today. These summarise your child's achievements and progress over the year. Please return the slip to school to acknowledge receipt and make an appointment with the class teacher if you would like to discuss it further.

#### **Year Two Leavers Events**

**Leavers Productions** are on Wednesday 19<sup>th</sup> July in the morning at 9.30 am and afternoon at 2.15pm. We have space for two family members of children in Year Two to attend and look forward to seeing you at this special event. Please send in any outstanding ticket request forms so that any spares can be allocated.

**The Year Two Leavers Disco** is on Wednesday 19<sup>th</sup> July from 6.30-8.00pm. This is a special event for our year two children and it would be wonderful for all pupils to be able to attend.

#### **Year 2 - Sign your school shirt**

Year 2 children can bring in an old shirt to get signed by their friends on Friday.

#### **Reception and Year One Disco**

Reception and Year One children's disco is next Wednesday 19<sup>th</sup> July from 5.00-6.00pm.

#### **Good to be Green Picnic**

Next Thursday afternoon we will be having a Good to be Green picnic for all of the children who have stayed 'green'. Congratulations go to all of them for this super achievement and for showing our value of respect all of the time.

### **Attendance**

Our attendance was a positive 96.63% last week. Congratulations go to 1LJ who were the best attenders.

Even though we are nearing the end of term, as you can see above there are many special activities taking part next week. Please make sure that your child attends every day so that they do not miss out.

### **Hideaway Bookshop**

Mrs Hughes has informed me that there are still children who have money to spend on their Bookshop Cards.

Please can all Year Two children make sure that they come to the Hideaway Bookshop to spend the money that they have been saving as we are unable to continue with this once they move to their new school.

### **Good News -Children's Kitchen**

Our refurbishment project to convert a work room area to a children's kitchen is underway. This will be finished and in place ready for the start of the new term.

### **Health and Safety**

I am concerned that a number of children are being allowed to play in the outside classroom area at the top of the big playground before and after school. Please make sure that all children stay on the playground and that they are supervised at all times.

Please do not allow children to take equipment out of the toy cupboards at this time. It is too dangerous for footballs on the playground with so many little ones around.

### **Memory Garden**

You may have noticed the small garden area we have created next to the small playground. Mrs Johnson has worked with the children to create this special memory garden to help them to remember family members and pets who have died. Please help us to keep this area special by making sure that all children stay off the garden and respect the precious items which have been left by the children.
